

**Performance Guarantee
To Supreme Customers**

Supreme International Limited has over 55 years experience in the design and distribution of agriculture and industrial equipment. As the pioneer in vertical processors, Supreme's patented innovations and durable construction will contribute to your continued success. Our commitment is to stand behind every sale. We believe in after sales service and measure our success by our customer's success.

If the Supreme Processor does not perform as our factory staff state to you, based upon our understanding of your requirements as per your completed Performance Guarantee Questionnaire, Supreme International Limited will refund your total purchase price excluding finance charges.

For this Performance Guarantee to be in effect, we require that the Performance Guarantee Questionnaire be completely filled out prior to purchase and returned to our office for approval. Upon receipt of your completed Warranty Card we will forward a signed and sealed Performance Guarantee to you.

If we cannot resolve a reported problem in the operation of the Supreme Processor, Supreme International Limited will refund your total purchase price upon return of the machine. This policy is in effect for one (1) year from purchase or date of initial use.

It is of no advantage to Supreme International Limited to sell a piece of equipment that you are not satisfied with.

Our customer's success is our success.
